

## Volunteer Opportunity

*Art & Soul needs YOU for our **Waste Reduction Zone Green Team***

As a Sustainable City, Oakland is hosting another Zero Waste event: the 2008 Comcast Art & Soul Festival (August 30 - September 1). Food and beverage vendors are using compostable plates, cups, and cutlery. Waste Reduction Zone sorting stations will be set up throughout the Festival's public areas.

**We need your help in educating people attending the Festival to sort for Zero Waste:** Each Waste Reduction Zone station will be staffed by a friendly, helpful volunteer to guide the public on what items go in each collection container. That's where you come in.

### The work:

After a brief but thorough training, volunteers will be stationed at Waste Reduction Zone recycling stations, letting patrons know their plates, cups, forks, spoons and food scraps are **compostable**, their cans, bottles and papers are **recyclable** and very little needs to be garbage. Volunteer shifts are four hours each: 11:30 a.m. – 3:30 p.m.; and 2 p.m. - 6:00 p.m. for Sat. Aug 30, Sun Aug 31, and Mon. Sept 1.

### The Reward:

- FREE admission to the Festival for the entire day of volunteer service
- Green Team "Got (Zero) Waste" T-shirt + Meal Voucher
- The fun and satisfaction of helping Oakland become a Sustainable City and educating other humans on how they can help create a healthy planet to live on
