

Volunteer Opportunity

*Art & Soul needs YOU for our **Zero Waste Zone Green Team***

As a Sustainable City, Oakland is hosting another Zero Waste event: the 2010 Art & Soul Festival (August 21 – August 22). Food and beverage vendors are using compostable plates, cups, and cutlery. Waste Reduction Zone sorting stations will be set up throughout the Festival's public areas.

We need your help in educating people attending the Festival to sort for Zero Waste at: each Waste Reduction Zone station will be staffed by a friendly, helpful volunteer to guide the public on what items go in each collection container. That's where you come in.

The work:

After a brief but thorough training, volunteers will be stationed at Zero Waste Zone recycling stations, letting patrons know their plates, cups, forks, spoons and food scraps are **compostable**, their cans, bottles and papers are **recyclable** and very little needs to be garbage. Volunteer shifts are 3.5 hours each: 11:30 a.m. - 3 p.m.; and 2:30 p.m. - 6:00 p.m. for Sat. Aug 21, and Sun Aug 22.

The Reward:

- FREE admission to the Festival for the entire day of volunteer service
- Free parking
- Green Team "Got (Zero) Waste" T-shirt + Meal Voucher
- The fun and satisfaction of helping Oakland become a Sustainable City and educating other humans on how they can help create a healthy planet to live on
